## EDUCATION

### Chuka University

Bachelor of Science Computer Science

📅 Graduated - November 22nd 2024

📍 Chuka, Tharaka Nithi County

### St Antony Dago Kokore

Kenya Certificate for Secondary Education

📅 2016-2019

📍 Kisumu

## ACHIEVEMENTS

### Computers for schools Kenya

Certificate in computer packages

📅 December 2019

## SKILLS

- Frontend Web Development with React js, Tailwind css, bootstrap5 and MaterialUI for responsive website.
- Version control with Git and Github.
- Backend Web Development with Python and Django Framework using Json Web Tokens for User Authentication.
- Restful API.
- Data analysis and visualization using Excel, Pandas, Numpy and Matplotlib libraries.
- MySQL/ MariaDB for database operations.
- React Native for Andriod Development
- Router to wifi Repeater Configuration.
- Linux Os and Unix

## PASSIONS

### ⚡ Sharpening my Programing Skills

Passionate about acquiring exceptional skills in my programming career for problem solving, designing friendly and interactive user interfaces.

Working with a team of professionals to help hone my skills further and learn the proper coding principals.

### ✂️ Full Stack Development

Enthusiastic in coming up with cutting edge software in the competitive market, Designing responsive frontend for better user experience in multiple devices, with Tailwind css, Bootstrap 5 and Material Ui being my libraries.

### 👤 Customer Service

Partaking in ensuring customer satisfaction by providing great user experience
